

K-Love Radio is a positive and uplifting force in our area. I strongly believe it is in the public interest to retain K-Love for the benefit of the community--especially the children. There is an abundance of radio with very negative impact on our society. K-Love offers help and hope instead. There are countless testimonies of people with broken hearts and lives that found hope on the K-Love stationl. I also know of some who were planning to commit suicide and found help on the K-Love radio. That truly is a benefit to the commuunity--life!
